¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988

¹ The Debtors' books and records do not reflect book value on an asset by asset basis and, therefore, the value is listed as undetermined.

2 The Debtors have not included the current value of their interests because any such valuation is either as of a date that is more than one year prior to the Petition Date or the underlyin (1988) and 1988 and 1988
